THE FIRST ANNOUNCEMENT

**Date:** February 17-18, 2017  
**Venue:** Hotel “Park Inn by Radisson Pulkovskaya” (pl. Pobedy, 1)

**Number of participants:** 500

The Organizing Committee invites you to participate in the work of the Second All-Russian Congress with International Attendance “MEDICAL CARE FOR INJURIES: NEW IN ORGANIZATION AND TECHNOLOGIES”, which will take part in Saint Petersburg on February 17-18, 2017.

The scientific program of the congress will consider the issues of organization, resources, technology, and staffing of health assistance in injuries, new aspects of evaluation and treatment of multiple trauma, spine injuries, and posttraumatic infectious complications. We plan breakout sessions related to the problems of radiation diagnosis of musculoskeletal injuries, treatment of patients with combat trauma and injuries sustained in emergency situations, as well as the issues of children’s and sports trauma care. AO-trauma symposium is planned “New aspects of treatment of injuries of extremities and pelvis.

An exhibition of medical advances, new implants, drugs, diagnostic equipment, trauma rehabilitation facilities, and new possibilities of high-tech health care will be opened at the congress.

**MAIN CONGRESS TOPICS**
